Hi Mike,

I understand you would like a larger ad in the carousel space, we can do that for you. We try to standardize the sizes but I understand wanting to fill the wasted space. There are still some limitations on size. We did a quick adjustment to your current ad so you can see how the largest size will appear. I am attaching a screen shot below. The finished size is 530 x 290. Let me know if you would like to submit a new ad at that size.

Dawn
